Adverting to your letter No.I.C. 2059/Ft.95-24-2 dated the 19th September last, I have the honour to submit herewith the marginally noted papers, pertaining to the reservation of the Tagare Plantation, Belur Taluk, (Area 16 acres and 10 guntas) and to request that the initial notification under section 4 of the Mysore Forest Regulation may be kindly caused to be published in the Gazette, constituting the area into a State Forest.

From the descriptive memo, it will be seen that this Plantation has been in the management of the Department for several years past. The growing stock consists of Casuarina, Teak, Honne, Nandi trees planted by the Department some 30 years ago. As the teak and honge seedlings planted in the northern portion have come up very well, the reservation of the area is necessary.
